

MÖDERE™ FACT SHEETS

ANTIOXIDANT

PRODUCT DESCRIPTION:

Antioxidant was specially designed with ingredients like immune-supportive ginkgo leaf to help keep your body and mind resilient. Carefully-selected antioxidant vitamins, herbs and extracts work together to promote a normal, healthy inflammatory response while fighting free radicals and cell oxidation.*

PRODUCT BENEFITS:

- Formulated with grape seed extract to support antioxidant capacity*
- Supports a normal, healthy inflammation response and cardiovascular health*
- Ginkgo leaf extract supports cognitive function*
- Carefully formulated to help keep your body functioning at its optimal level
- Supports skin and circulatory health*
- Antioxidants promote a normal, healthy inflammatory response and fight against free radical damage*
- Antioxidants may reduce the risk of certain forms of cancer†
- Easy to take tablets

†Some scientific evidence suggest that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

POSITIONING STATEMENT

Antioxidants are nature's way to keep your body running at its best.

Their primary job, in just a few words, is to protect your cells against the oxidization damage caused by free radicals. Maintaining normal, healthy cellular function means that your body is better able to mitigate some of the effects of aging.*

Modere Antioxidant is designed to boost your antioxidant levels through the roof, using a carefully selected blend of natural antioxidant vitamins, herbs and extracts to combat the effects of free radical damage, promote a normal, healthy inflammatory response, and a healthy immune response. The herbs and extracts in Antioxidant work together to promote optimal body function, helping you feel your best at any age.*

Imagine having the peace of mind that you're doing the best you can for your body. With Modere Antioxidant, you can have it.

DIRECTIONS/USAGE:

Take one (1) tablet, twice daily. Recommended with food.

HEALTH AND WELLNESS | PROTECT
