

HAWAIIAN NONI

hawaiian noni fruit puree with raspberry, blueberry and momordica

THE WELLNESS PROBLEM

For all manner of reasons – particularly poor diet and lifestyle choices we may not receive all of the nutritional requirements our body needs to operate at optimum efficiency and underpin our overall wellbeing.

Good nutrition is a cornerstone of good health. When the unique dietary components of natural fruits such as phytonutrients and antioxidants are not obtained in sufficient amounts, the long-term indications may affect general wellbeing or lead to conditions associated with imbalanced nutrition.

Under these circumstances, holistic supplementation may be the perfect answer to maximise the potential for optimum wellbeing.

THE MODERE SOLUTION

The Noni plant (*Morinda citrifolia*) has played a significant role in the dietary and traditional practices of Polynesian peoples across the Pacific since time immemorial, with the fruit, stem, leaf, seed, flower and root all being used for a variety of purposes.

Combining great taste with a host of healthy plant juices and extracts, Hawaiian Noni captures the natural goodness of phytonutrients contained in the fruit.

Nurtured by the mineral rich volcanic soils of Hawaii; proprietary technology is used to encapsulate the energising benefits of the noni fruit without disturbing its powerful yet delicate balance of nutrients.

The high potency formula contains 92% authentic noni fruit concentrate, making it a sensational natural fruit blend that re-energises and refreshes while delivering a uniquely delicious flavour and nutritional profile.
